

USA-NORTHEAST

JAN-MAR			MAR-MAY SEPT-OCT			JUN-AUG NOV-DEC					
WEATHER											
JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
-3°C - 10°C						7°C - 27°C					
16°C - 29°C						0°C - 18°C					

TIPS

- Includes places like New York, Boston, New Jersey and Niagara Falls along the Canadian border.
- New York is popular year round. All 4 seasons are beautiful in different ways.
- NY: Slightly quieter during the coldest months, and when families travel to the sunnier coasts over school holidays
- NY: Autumn is the shoulder season and a wonderful time to explore
- Niagara Falls is best in summer. But when temperatures drop, so do prices.

USA-SOUTHEAST

JUN-NOV			APR-MAY SEPT-NOV			DEC-APR					
WEATHER											
JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
9°C - 26°C						16°C - 32°C					
22°C - 33°C						10°C - 29°C					

TIPS

- Includes cities like Florida, Virginia, Kentucky, New Orleans.
- Subtropical weather. Extremely humid in summer, mucky in rainy months, most comfortable in winter.
- Hurricanes season in Florida: June - Nov. Check the local weather warnings regularly.
- Florida is extra busy during spring break and school holidays (theme parks). And Ultra Music Festival.
- New Orleans is most exciting during Mardi Gras and springtime festivals. Also fun at Halloween.

USA-WEST COAST

JAN-FEB			MAR-APR NOV-DEC			MAY-OCT					
WEATHER											
JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
8°C - 17°C						10°C - 19°C					
12°C - 21°C						8°C - 21°C					

TIPS

- Includes San Francisco, Los Angeles, Las Vegas, Disneyland, California, Napa wine valleys.
- Late September is a great time to visit SoCal. Less crowds, enjoyable weather and lots of festivals
- Fog: San Diego (May-Jun) / San Fran (Jul-Aug)
- California - Whale watching: Best in February and April.
- California - Best time to hit the beaches: May - Oct
- Las Vegas is busiest in winter, and super hot in summer.

CANADA

NOV-FEB			APR-JUN SEPT-OCT			MAR, DEC JUN-AUG					
WEATHER											
JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
-5°C - 4°C						5°C - 22°C					
13°C - 25°C						-3°C - 14°C					

TIPS

- Daylight Hours: Winter days are short. Summer days are long.
- Whale watching: May - October
- Catch Northern Lights in Yukon Territory in February - April.
- Polar bear watching in Churchill peaks in October and November. March is also good for spotting polar cubs instead.
- Rocky Mountains lakes frozen before May

CENTRAL AMERICA

APR-NOV						NOV-APR					
WEATHER											
DRY SEASON						WET SEASON					
JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
16°C - 27°C						19°C - 29°C					
23°C - 30°C						18°C - 28°C					

TIPS

- Daylight Hours: Winter days are short. Summer days are long.
- Whale watching: May - October
- Catch Northern Lights in Yukon Territory in February - April.
- Polar bear watching in Churchill peaks in October and November. March is also good for spotting polar cubs instead.
- Rocky Mountains lakes frozen before May

SOUTH AMERICA

JUN-AUG			SEPT-NOV MAR-MAY			NOV-FEB JUL					
WEATHER											
JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
8°C - 26°C						8°C - 22°C					
7°C - 20°C						7°C - 24°C					

TIPS

- Climates differ vastly. The north is more tropical, the south sees 4 seasons. Unique climates in highlands, forests, deserts.
- Weather can differ vastly. Check weather apps regularly.
- During the rainy season (Nov-Apr), the Amazon Forest is flooded, so you can only take a boat to explore the forest.
- The Inca Trail: Shuts down for maintenance in February. Avoid Jan and Mar due to rainy season. Peak time is Jul - Aug.
- Salar de Uyuni: Apr - Nov for the dry salt planes, Jan - Mar for a reflective Salar de Uyuni.
- Closures: Many shops are closed during Easter, and hotels/resorts are overcrowded.
- Closures: Many hotels/businesses shut in Chile, Argentina and Patagonia in low season
